About Us

Green Bridge Educational Consultancy is a Kenya-based education advisory firm committed to empowering students with the knowledge, guidance, and support they need to pursue higher education abroad. We specialize in offering professional advice, university selection, application assistance, and visa support to students aspiring to study in leading global destinations such as the United Kingdom, Canada, and Australia.

We help students make informed decisions that align with their academic interests, financial plans, and long-term career goals. At Greenbridge, we pride ourselves on building trusted relationships with students and their families by providing transparent, efficient, and end-to-end support throughout the study abroad journey.

Our experienced team ensures that every applicant receives tailored guidance, from identifying suitable programs and universities to preparing for life in a new country. Through our expertise and dedication, we aim to make the transition to international education smooth, accessible, and rewarding.
